TOPICS

ACA members are experts in their field and deliver compelling presentations that address your organization's and your members' financial concerns for a reasonable price.

Some of the available topics include:

Donor Advised Funds

Ten Easy Ways to Mess Up Your Retirement as a Woman

Navigating Shifting Economic Cycles (or, "Yikes, What Do We Do Next?")

Creative Budgeting

A Philosophy and Strategy for Investment Success

Financing a College Education

Personal Finance during Retirement

The 4 R's of Employee Benefits

For a full list of topics and details about the speakers please visit www.cambridgeadvisors.com/web/pages/speakers.

ABOUT ACA

ACA members are experienced, credentialed and highly skilled fee-only financial advisors. As pioneers of holistic financial planning – planning that focuses on the person, not a product – ACA members maintain client-centered practices and offer unbiased advice on a fiduciary basis.
